FIG. 2 is a flowchart illustrating a process for adding a file note to a claim database. The process begins with an oval labeled "Add File Note". This is followed by a series of rectangular process blocks: "Receive Indication to Create a File Note" (202), "Display File Note" (204), "Obtain Category and Subcategory information from Claim Database" (206), "Receive Information From Handler" (208), and "Save File Note in a Claim Database" (210). The process concludes with an oval labeled "End".
